Replacement of Missing Document

Sir:

On October 22, 2001 via first class mail, Applicants submitted a Notice of Appeal herein. The purpose of the Notice was merely to maintain pendency of the application while the Patent Office considered the scope of Terminal Disclaimers that may need to be filed prior to allowance of the present application.

Attached herewith are copies of: (1) the Notice of Appeal; and (2) Applicants' postcard (returned and stamped "OIPE January 2, 2002"). It appears that these papers were caught up in the unfortunate mail delivery circumstances existing during that period.

Respectfully submitted,

Date: March 15, 2002

  
E. Victor Donahue
